IRB00000050 FCCC IRB Committee #1  
IRB00005828 FCCC IRB Committee #2

The IRBs include members of varying backgrounds to promote comprehensive and sufficient review of research activities commonly conducted. The names and qualifications of the members are on file with OHRP.

As required by the Department of Health and Human Services regulations, IRB members may not participate in the initial or continuing review of any project in which the member has a conflicting interest, except to provide information requested by the IRB. This letter serves as evidence of compliance with all applicable regulations for the protection of human subjects in lieu of providing lists of IRB member names.

The Fox Chase Cancer Center IRBs applies the principles of International Conference on Harmonization's Good Clinical Practices (ICH-GCP) to clinical investigations only to the extent that is compatible and consistent with FDA regulations.

Sincerely,

J. Robert Beck, MD
